

TACO TOUR MANCHESTER

FOOD TRUCK/ MOBILE VENDORS INFORMATION

Food Trucks and Mobile Vendors are recommended to arrive on site at 1pm on the day of the event.

Do not park/drop your truck or trailer without confirmation from a member of the event team. If your truck is parked in an improper location, you will have to move. Please refer to the site map provided prior to the event.

There are only a limited number of vendor spots available on Elm Street. Due to crowding, some food trucks will be parked on side streets in groupings to help pull the crowd up the street. Picnic tables and signage will be provided as well to encourage the crowd to explore side streets.

Taco Tour Manchester 2025 is free for food trucks and mobile vendors to participate in, but there will be a registration fee in 2026 as the costs for the event have increased significantly since 2022.

Submitting an application does not guarantee participation in Taco Tour Manchester. Taco Tour Manchester strives to highlight downtown Manchester, Manchester-based businesses, and business that support activities within the city. Admittance of businesses from outside of Manchester will be considered by Chamber Staff and the Taco Tour Advisory Committee.
